

BROADSTAIRS

Broadstairs is a safe, seaside town located in Kent, just 80 minutes from London by direct train. It boasts several beautiful beaches, including the popular Viking Bay, and cliffs offering stunning views of the North Sea. Broadstairs takes pride in its connection to the famous writer Charles Dickens, who frequently visited the town, and even lived there for a time.

The school, located on the main street just a 10-minute walk from the beach, offers a program tailored to students' needs, interests, and educational requirements. The course consists of 15 English lessons per week. The school features 9 classrooms, a large recreation room with a cafeteria and games area, a spacious activity hall, and a snack shop.
